

Walk on the **WILD** side with Animal Tours and Encounters!

ANIMAL TOURS

Follow one of our trained volunteers or staff members around the Zoo and learn about our animals! Each tour lasts 1-1.5 hours. There is a maximum of 30 people/tour, and costs \$50/tour. Registration is required and scheduling is subject to guide availability. *Tours can also be used towards earning a scout badge!*

ANIMAL ENCOUNTERS

Would you like your group to meet a cool critter up close on your visit to the Zoo? Enrich your visit with a private, educational Animal Encounter with one of our touchable animals! Each 15 minute encounter gives you tons of information about the animal, allows for questions, and gives you the opportunity to touch an animal. Animal Encounters cost \$30/encounter; registration is required and subject to staff availability.
