[Springfield, IL] – The Springfield Park District receives \$20,000 in donations to upgrade light fixtures at Eisenhower Pool.

This project was made possible by the dedicated staff at Springfield Electric. In particular, Darren Volle, Dan Dunga, Greg Lutchka, Don Harrod, and Randy Germeraad. Springfield Electric donated 57 light fixtures and lamps. The retail cost of the items donated total over \$12,000.

Another major contributor to the project was The Academy Swim Club Boosters. George Preski, Ann Janes, Grant Wood, Tami Martin, Kari Lutchka, Bob Croteau, and Greg Lutchka were instrumental in raising over \$7,200 to pay for the installation costs.

With these new upgrades, not only is the Springfield Park District's Eisenhower Pool properly illuminated, but it will also reduce energy consumption by 25%, saving the District nearly \$1,400 annually.

Springfield Park District Board President Leslie Sgro, "This is a great example of how collaborative efforts between user groups, private business, and public agencies can further enhance recreational facilities. The board would like to publicly thank Springfield Electric and the Academy Booster Club for their continue commitment to assist the district in providing high quality and energy efficient facilities to the community.

Eisenhower Pool is located at 2351 E. Cornell Street.
