SPRINGFIELD PARK DISTRICT RELEASES THE DISTRICT'S YEAR IN REVIEW FOR 2015

[**Springfield, IL**] The Springfield Park District has created its first ever **Year in Review** report for 2015 to share with our patrons and the surrounding communities. We took a look back at the last fiscal year 2014-2015 as well as our busy 2015 Summer Recreation Season and put together a comprehensive report on all the facets that make up the Springfield Park District.

In doing so, the District has come up with a robust review which includes things like our Scope of Services, Introduces our Board of Trustees, Organizational Highlights, showcases enrichment through Recreational Opportunities, our Financial Highlights & Achievements, Marketing Initiatives, Parks & Natural Resources and Capital Improvements.

“Throughout the past year, the Springfield Park District has proudly offered a diverse set of recreation programs, parks, facilities, trails, and open spaces that have helped to enrich the community and improve the quality of life of our residents. The **Year in Review** summarizes some of the larger successes we have experienced. I encourage community members to take some time to review the report to learn more about the critical impact your local Park District is having on the Springfield community.” – Derek Harms, Executive Director

We have distributed this report internally to our own employees, have printed copies at the District for public review and we plan to embark on a Social Media campaign to share the **Year in Review** and fulfill our organization's mission - *To provide accessible and memorable recreational opportunities that enrich the community and improve the quality of life for generations as well as conserve our natural resources.*

We hope you will take time to enjoy the Springfield Park District's **2015 Year in Review!**
