SPRINGFIELD PARK DISTRICT RECEIVES GIFT FOR SEASONAL LIGHTING AT THE WASHINGTON PARK GAZEBO & TROLLEY STOP

[Springfield, IL] – The Springfield Park District is excited to announce that this is the fourth consecutive year that there will be seasonal lighting at the Washington Park Gazebo and Trolley stop during the Holiday Season.

Thanks to the generosity of three community members, who wish to remain anonymous, the District received a \$6,000 donation to enhance the Gazebo and Trolley stop with lighting and holiday décor.

This seasonal lighting project is something that the Park District would not have had the funds in our budget to implement, if it weren't for this generous donation. Prior to 2014, it had been many years since we had been able to decorate during the holiday season at Washington Park, so we are thrilled to be able to provide this to the Springfield and surrounding community residents for their viewing pleasure.

“On behalf of the staff and Park Board Trustees, we are very grateful for the continued generosity of these wonderful donors.” – Park Board President, Leslie Sgro

The lights will be lit on December 1st and will remain illuminated through December 31st. We are hopeful that community members will take time out to drive by and see this festive décor.
