The Springfield Park District would like to alert the public that Spring Trout Season starts on Saturday, April 6th at 5:00am!

Over 58 ponds, lakes, and streams throughout the state of Illinois will be stocked with Spring Trout. This includes, the Springfield Park District's, ponds at Southwind Park and Washington Park who are scheduled to receive over 900 lbs of trout.

This season, our partners, the Illinois Department of Natural Resources, will be stocking over 80,000 rainbow trout throughout the state of Illinois! To participate in this Spring's Trout Season, you must possess a valid Illinois Fishing License with a Trout Stamp. Illinois Fishing Licenses and Inland Trout Stamps are available at DNR Direct license and permit locations, which include sporting goods stores, bait shops, and other retail outlets. For more information regarding Trout Season, please check the IDNR website at the following link: <https://www.dnr.illinois.gov/>

The Springfield Park District encourages the public to help us celebrate this Spring's Trout Season!
