---

The Springfield Park District would like to inform the community of an upcoming two-part construction project happening on Monday, October 19<sup>th</sup> through Wednesday, October 20<sup>th</sup> (weather permitting) on the park road next to Washington Park Preschool in Washington Park.

On Monday, October 19<sup>th</sup>, concrete work will begin on the park road. The project will include new concrete curbs, guttering, and paving. During this time, the park road will still be accessible.

On Wednesday, October 21<sup>st</sup>, the second phase will begin. The project will include the park road receiving a mill and asphalt overlay. The park road will temporarily be closed to traffic during this time; however, patrons will still be able to enter and exit into Washington Park by the South Grand park entrance.

Please note that the park and all facilities will remain open during the temporary road closure.
