Does your child have a leaf collection project for school this year? Help get that homework done in this fun educational way with our annual leaf identification hike. We will be collecting around 50 leaves. Please bring a spiral notebook, writing tool, and something to contain your leaves. Dress for the outdoors. **Pre-registration & parent/adult chaperones are required.** There are two different dates offered for these hikes.

To register for one of these hikes and/or more information call Alexa at the Garden, 217-546-4116.
